

KYLOE

RESTAURANT & GRILL

— Kyloe's Provenance —

At Kyloe we proudly champion Scotland's produce first. All of our beef is Scotch, arriving dry-aged for a minimum of 28 days before selected whole cuts are aged further in our in-house dry ager, which you can see as you come in. This process slowly removes moisture to intensify flavour and tenderness, with some cuts aged by our chefs using salt or flavoured butters.

Our premium Wagyu comes from Hoardweel Farm in Dumfriesshire, where Jonathan and Helen Stebbings select their cattle with great care, producing beautifully marbled beef renowned for its depth of flavour and tenderness.

Across the rest of the menu you will find more exceptional Scottish producers, including Edinburgh-based East Coast Cured Charcuterie, Inverloch Goats Cheese from Ayrshire or smoked salmon from John Ross, alongside hake from Peterhead, Aberdeenshire and West Coast langoustines and scallops from Scotland's coastal waters.

— The Selkirk Grace —

Some hae meat and canna eat,
And some wad eat that want it;
But we hae meat, and we can eat,
Sae let the Lord be Thankit.
