

# KYLOE

## RESTAURANT & GRILL

*The name Kyløe, an old Scots word for Highland beef cattle, was chosen for the restaurant as it represents the strength and versatility of Scottish beef produce.*

*Established in November 2011, Kyløe Restaurant & Grill has become a firm favourite amongst locals and visitors alike. Our unique and interesting wine list has been sourced through some of the country's best wine merchants, with a few of our wines having a strong Scottish influence.*

*Our extensive wine list features a diverse range of vintages & varietals from all corners of the globe, showcasing different expressions and styles that can be found in both Old and New World. There is also a nod to some less well-known wine producing countries, such as Romania, Israel, Uruguay, or the first place in the world to produce wine as we know it, Georgia.*

*With the use of a Coravin system to retain freshness, our guests have the opportunity to try higher end wines by the glass – so why not indulge in our world-class R. López De Heredia 'Viña Tondonia' - 2011 Vintage.*

*We would love to give you some recommendations to compliment your Kyløe experience, so please ask our team for the perfect pairing.*
