

KYLOE

RESTAURANT & GRILL

The name Kyloe, an old Scots word for Highland beef cattle, was chosen for the restaurant as it represents the strength and versatility of Scottish beef produce.

Established in November 2011, Kyloe Restaurant & Grill has become a firm favourite amongst locals and visitors alike. Our unique and interesting wine list has been sourced through some of the country's best wine merchants, with a few of our wines having a strong Scottish influence.

Our extensive wine list features a diverse range of vintages & varieties from all corners of the globe, showcasing different expressions and styles that can be found in both Old and New World. There is also a nod to some less well-known wine producing countries, such as Romania, Israel, Uruguay, or the first place in the world to produce wine as we know it, Georgia.

With the use of a Coravin system to retain freshness, our guests have the opportunity to try higher end wines by the glass – so why not indulge in our world-class Amarone Classico or the shiraz blend from Henschke - one of Australia's most famous producers.

We would love to give you some recommendations to compliment your Kyloe experience, so please ask our team for the perfect pairing.
